

Details Required to Create a Razorpay Account

To create a Razorpay account, you need to provide certain business and personal details. Below is a checklist of the commonly required information:

- **■ *Business Details:***

- Business Name
- Business Type (Proprietorship, Partnership, Pvt Ltd, LLP, etc.)
- Business Category and Sub-category
- Business Address
- Website / App URL (if applicable)

- **■ *Bank Account Details:***

- Bank Account Number
- IFSC Code
- Bank Account Holder's Name (should match business/personal name)
- Cancelled Cheque / Bank Statement (for verification)

- **■ *Personal Details of Owner / Authorized Signatory:***

- Full Name
- Date of Birth
- Email ID
- Mobile Number (linked with Aadhaar for OTP verification)
- PAN Card
- Aadhaar Card / Passport / Voter ID (for identity verification)

- **■ *Business Documents (depending on business type):***

- GST Certificate (if registered)
- Company Incorporation Certificate (for Pvt Ltd / LLP)
- Partnership Deed (for Partnerships)
- Shop & Establishment Certificate (if applicable)
- Udyam / MSME Certificate (optional but useful)

■ *Tip: Keep scanned copies of your documents handy before starting the registration process. Razorpay usually verifies accounts within 24–48 hours if all documents are valid.*
